

Breadth of focus

**FRONT MATTER**

Title  
Author information  
Author note (inc. conflict of interest  
and funding statements)

**ABSTRACT**

Introduction  
Methods  
Results  
Discussion

**BODY**

Introduction  
(describe context, define  
concepts, highlight relevant  
literature, identify the  
knowledge gap, state the  
study objective(s), summarize  
the study design).

Methods  
(Subsections for Sample,  
Design, Materials, Procedure,  
Analysis)

Results  
(report the descriptive and  
inferential results using text,  
tables, and figures)

Discussion  
(Summarize results, note  
implications for theory and/or  
practice, describe relationship  
to prior studies, highlight  
limitations, provide a  
conclusion)
